Rewarding Opportunities for Professional Growth

The New York State Bar Association's (NYSBA) Trial Lawyers Section offers members excellent ways to enhance their knowledge and expertise. Through outstanding Section events, members are able to examine today's vital legal developments. The Section also co-sponsors continuing legal education programs at special member rates. These activities provide valuable ways for you to stay on top of the legal profession, as well as meet and work with professionals who share your interests. The Section's membership is made up of plaintiff, defense, and litigation attorneys, and some attorneys who do both.

Expertise Enhancement via Committee Involvement

Trial Lawyers Section committees address unique issues facing attorneys, the profession, and the public. Committees allow you to network with other trial lawyers from across the state, and give you the opportunity to research issues and influence the laws that affect your practice. Committees are also a great way to achieve professional recognition and development. For a complete listing and to sign up for committee membership, please see the reverse side of this brochure.

Exclusive Publications

NYSBA's Trial Lawyers Section keeps you informed of updates in law and practice with timely practice tips and scholarly papers. Exclusive publications feature case studies, practical hints, and legal developments affecting trial practice. Members may also submit articles for possible publication.

And, the Trial Lawyers Section area of the NYSBA website is a resource www.nysba.org/trial. Here you will find committee rosters, links of interest, upcoming events, and more.

Go to www.nysba.org/sectionpubs to access our Section's archived publication, *Trial Lawyers Section Digest*.
