About the **TRUSTS AND ESTATES LAW SECTION
of the NEW YORK STATE BAR ASSOCIATION**

The Trusts and Estates Law Section is actively involved in all aspects of estate practice by analyzing topical issues, drafting new legislation and providing relevant continuing legal education to practitioners. The Section has been in the forefront of proposing significant legislation which has enhanced the practice of trusts and estates law, such as the creation of unified forms throughout the Surrogate's Court system referred to as "HOT DOCs" and ratification of the attorney-client privilege between counsel and a fiduciary. It is enormously rewarding to play a role in the development of the law which governs the trusts and estates law practice.
